

KERCKHAERT
TÖLT

The Tölt horseshoe is specially designed for the Icelandic horse, with the name referring to its unique gait, the tölt. This asymmetric shoe perfectly fits the hoof shape of the Icelandic horse, requiring minimal adjustments during shoeing. It offers optimal support and is available in both front and hind shoes. Meets the requirements of FEIF for competitions with Icelandic Horses.

FEATURES

- Front shoe (1/c) and hind shoe (2/c)
- Perfect shape for Icelandic horses
- Clean nail holes and accurate pitch
- Heightened Radius Clips
- Sole relief on front shoe
- Meets the requirements of FEIF for competition with Icelandic Horses: width <23 and thickness <8
